

SUSIE'S FAMILY STORY

by June.w

Christmas Eve of 2020.

A book was born to be,

Inspired by the warmth of Christmas cheer,

Susie's family came to me.

I hope this story spreads joy and light,

To children far and near,

Bringing love and warmth to every heart,

A gift throughout the year.

PART.005

SEASON 1, EPISODE 3- THE MYSTERIOUS VISITOR

Susie, soon to be a mother again, is a beacon of innocence and kindness. Despite the hardships, she never stopped believing in the magic of kindness, beauty, and yes, even Santa Claus.

But life's sudden challenges have left her feeling a bit dizzy and overwhelmed. As she tries to steady herself, the store's doorbell, a cheerful tune installed by Paul, rings. In walks a figure, not quite a girl, but... an egg? Susie's eyes widen in surprise. The figure is wearing a bright yellow eggshell cartoon jacket over a blue plaid suit. It's an unusual sight, almost like something out of a whimsical amusement park.

"Hello? Can you help me check out these items?" the egg-shaped visitor asks with a smile. Susie, still in a bit of shock, obliges, ringing up milk, eggs, apples, bacon, and a few other groceries. The total comes to 18 euros.

The eggshell visitor introduces herself as Tanya, an 'eggshell lawyer' specializing in safety and legal issues for young children and their parents. She offers her services for free and hands Susie a brochure and her contact information.

Susie is amused and intrigued. A lawyer in such a unique outfit! Her thoughts drift to a happier time with Paul at Disneyland, but she quickly brushes away the sadness. Her obstetrician's advice echoes in her mind - keep smiling, no matter what, like a model on a Victoria's Secret catwalk.

Time flies in the store. Besides Tanya's peculiar visit, only Grandma Lucy from across the street stops by, probably more for a Christmas greeting than the milk carton she buys. Susie chuckles to herself, feeling a spark of happiness.

She then remembers the pamphlet from Tanya. It speaks of a unique 'museum that lays eggs,' offering free, accessible education for young children globally, especially during these challenging times. It's a ray of hope, a chance to save on nursery costs and learn more about early childhood education.

The pamphlet's message is clear and heartwarming, filling Susie with optimism. Perhaps this is her own Santa Claus moment, a gift of hope and support in an unexpected form.
