SEASON 1 EPISODE 14: SUSIE'S LITTLE GOLDEN EGG IS BORN!

On January 24, 2021, at 6:50 in the evening, Susie gave birth to her little golden egg. She had been preparing for this moment, and everything went smoothly.

In the days leading up to the birth, Susie had been eating well and sleeping soundly. She felt a mix of excitement and calmness, and she had Rita's guidance to be prepared for any situation.

Grandpa Ken arranged for Chris to watch the store, and Grandma Lucy cared for Hunter during this crucial time. Susie's mood was serene, and she believed she could handle what lay ahead.

As the day arrived, Susie went to the hospital for her regular check-up. Rita had advised her that as soon as the amniotic fluid broke, she should head to the hospital without delay. Due to the extraordinary circumstances and limited beds, Rita had arranged a small room for her to be temporarily hospitalized.

Zoe, her best friend in the small town, came to offer support. Grandpa Ken could finally breathe a sigh of relief as he returned to the store, knowing that Chris was there to watch over it. Zoe brought cards, an iPod with Susie's favorite music, a pink doll, and food. They celebrated in advance, even though Susie joked that she couldn't eat anymore. Zoe also gifted her a perfume bottle, and they shared laughter.

To help with the birthing process, Zoe encouraged Susie to exercise. They decided to climb the hospital stairs as a form of exercise. With determination, Susie climbed the stairs ten times, enduring the pain and chanting positive affirmations to herself.

Listening to her favorite song, "Wake Up, Little Susie," Susie found the strength to continue. She pushed through the pain, knowing that the goal was to ensure the health of her little golden egg.

Finally, after climbing the stairs ten times, the doctor confirmed that it was time for delivery. The birthing process was swift, and on January 24, 2021, at 6:50 in the evening, Susie welcomed her baby boy into the world.

Paul called, and Susie tearfully shared the news with him. It had been a long journey, but they had triumphed. After the baby was examined, Susie fell asleep, exhausted from the ordeal.

She dreamed of her parents, feeling their presence in her joyous dream. It was a dream filled with happiness, love, and gratitude.

The next morning, Susie enjoyed a hearty meal, including beef stew, and prepared to go home. She video-called her parents, Paul's parents, and Paul himself, introducing the little golden egg to them. Grandpa Ken arrived to take them home, armed with a properly installed car seat for the baby.

The lights were still on in their home, and the day promised to be beautiful. Susie felt blessed, loved, and ready to embrace the new chapter of her life. Susie later called Eggshell Lawyer, and they discussed plans for the upcoming sessions. She was excited about starting the new class and felt supported by her lawyer friend.
