

SUSIE'S FAMILY STORY

by June.w

Christmas Eve of 2020.

A book was born to be,

Inspired by the warmth of Christmas cheer,

Susie's family came to me.

I hope this story spreads joy and light,

To children far and near,

Bringing love and warmth to every heart,

A gift throughout the year.

PART.028

Dear Friends,

🌟 Susie's Family Story is finally finished! 🌟

Is this the worst novel you've ever read? It sucks, right? 😏 But hey, I finished it, and that's something!

I wrote this part of the story in about two weeks at the beginning of 2021. Inspired by a dream and a song, and with a nod to Ray Dalio's children's picture book version of Principles, I named it Susie's Family Story. This was during the peak of the epidemic when creativity was my escape.

Today, on July 4, 2024, I'm sharing it with all of you.

I still feel a bit shy and wonder what this says about me. When I read it now, some parts feel super childish, but I promise every word is mine. 🤔

The most important message of this story is that if I can do it, so can you.

English is not my native language—just one of many subjects I've studied. Early childhood education isn't my major, but I love it.

If I can "make it up," why can't you? 🌈

If you have a passion, keep it alive. ❤️
