

MERRY CHRISTMAS

I2.001: Kindergarten --- Teacher

We're now organizing HUNTER's CARDSET using the letters M.A.T.R.I.X. Each letter has four rows—M1, M2, M3, M4—and each row contains seven sub-cards, labeled M1.001, M1.002, M1.003, and so on up to M1.007. This card arrangement is inspired by Niklas Luhmann's note-taking method, and we encourage you to create your own cards in each row. Download the 7 cards from the link below, and let's build them together!

*Subject: You Are the Heart of Education in
Tippecanoe - Join Us!*

Dear [Name],

First of all, let me say—you are incredible. Your passion for early childhood education and the way you've touched so many young lives in Tippecanoe is nothing short of inspiring. The parents adore you, your students look up to you, and we've heard so much about the positive impact you've had on their growth. You are exactly the kind of person we need to lead the next chapter in early childhood creativity and learning.

I also want to share a personal story. HUNTER, the young boy behind the cards, was born right here at Franciscan Health Lafayette East and created his first matrix card when he was just five and a half years old. Now, as a fourth grader, his dream is to bring his creation back to the place he loves—

Tippecanoe—where children's imaginations can soar just like his did.

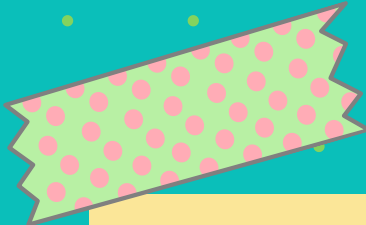

Here's what we can offer you:

🎨 **Shape the Future:** We want you to introduce HUNTER Cards into your school, showing both parents and students how much fun learning can be. You'll be leading workshops, guiding play, and inspiring creativity in ways that align with the highest standards of early education.

🌟 **Your Name in the Spotlight:** You'll be recognized as the one who brought this groundbreaking tool to Tippecanoe. We will highlight your contributions on our platform, showcasing your story to inspire other educators across the nation.

💡 **Special Perks:** Be the first to receive new card sets before anyone else. Plus, we'll provide exclusive holiday bundles for your students, making this year's learning both festive and fun!

Our plan is massive. We're set to expand HUNTER Cards to 3,300 counties across the U.S., and it all begins with exceptional leaders like you. Plus, we're partnering with the Museum of Leaf Cards in Southern France—making this a global journey from Tippecanoe to the world!

We'd love to have you on board, pursuing your dreams with us. Let's inspire the next generation together.

"One small step for man, one giant leap for mankind" - and it all started at Purdue University, home to Neil Armstrong, the first man on the moon, just as we're launching HUNTER Cards from Tippecanoe to the stars.
