## *Local Publication Agent for Early Childhood Education*

We're now organizing HUNTER's CARDSET using the letters M.A.T.R.I.X. Each letter has four rows—M1, M2, M3, M4—and each row contains seven sub-cards, labeled M1.001, M1.002, M1.003, and so on up to M1.007. This card arrangement is inspired by Niklas Luhmann's note-taking method, and we encourage you to create your own cards in each row. Download the 7 cards from the link below, and let's build them together!

Subject: Help Us Share the Story of HUNTER Cards - Your Expertise is the Key!

Dear [Name],

Your creativity and talent for helping educators and authors tell their stories are well known in Tippecanoe. You've been instrumental in bringing local educational content to life, ensuring that important voices are heard and shared. We believe you're the person who can take HUNTER Cards from a local phenomenon to a national movement.

HUNTER, born at Franciscan Health Lafayette East, created his first card at the tender age of five and a half. His imagination blossomed into a powerful learning tool that is now shaping how children discover and create. We need someone like you, with your expertise in publishing and education, to help take this vision to the next level.

Here's what we can offer you:

📖 **Turn Local Creations into Published Works:** As a publication agent, you'll help families and educators turn the cards they create into published materials. You'll provide the guidance they need to make their ideas flourish and, in turn, help expand the reach of HUNTER Cards.

🌍 **Lead a National Movement:** Your work with HUNTER Cards will set the stage for similar projects across the country. As we expand to 3,300 counties, you'll be the one who helped start it all, providing your expertise and creative insight.

🎨 **Exclusive Projects and Collaborations:** With our partnership with the Museum of Leaf Cards in Southern France, you'll have the opportunity to be involved in international projects, helping to create published works that transcend borders. We see you as the leader who can take these local creations and turn them into something that will inspire children everywhere. Your talent and vision are exactly what we need to make this dream a reality.

"One small step for man, one giant leap for mankind" - much like Neil Armstrong, who took his first step at Purdue University, we're stepping into something new and exciting, and we hope you'll take this leap with us.
