

MERRY CHRISTMAS

I2.007:

*Team Coordinator
(Tippecanoe Network
Coordinator)*

We're now organizing HUNTER's CARDSET using the letters M.A.T.R.I.X. Each letter has four rows—M1, M2, M3, M4—and each row contains seven sub-cards, labeled M1.001, M1.002, M1.003, and so on up to M1.007. This card arrangement is inspired by Niklas Luhmann's note-taking method, and we encourage you to create your own cards in each row. Download the 7 cards from the link below, and let's build them together!

Subject: Be the Leader Tippecanoe Needs - Join HUNTER Cards and Lead Us to Success!

Dear [Name],

Your organizational skills and ability to bring people together are legendary in Tippecanoe. You're the one people trust to get things done, and you've proven time and time again that you can lead any project to success. That's exactly why we need you to help lead the launch of HUNTER Cards across Tippecanoe.

Let me share with you the story of HUNTER, a young boy born at Franciscan Health Lafayette East, who created his first matrix card when he was just five and a half years old. Now, as a fourth grader, his dream is to bring his creation to children across Tippecanoe and eventually to 3,300 counties nationwide. We're looking for someone with your skills to lead this effort locally.

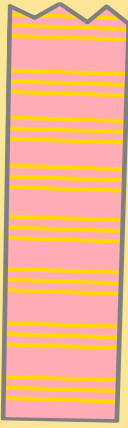

Here's what we can offer you:

Lead the Charge: As the network coordinator, you'll be the one bringing educators, retailers, and community leaders together to ensure a successful launch. Your leadership will be critical in making HUNTER Cards a household name in Tippecanoe.

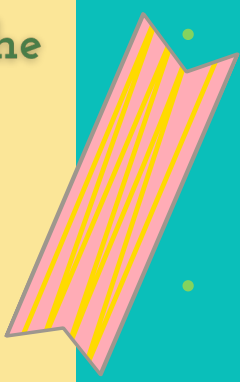

Recognition for Your Leadership: You'll be the one that future team coordinators in other counties look to as the trailblazer who made it all happen. Your name will be known for leading the charge.

Career Growth: As we expand nationally, you'll have the opportunity to grow your role, overseeing teams in multiple counties and helping scale this project across the U.S. and beyond.

We're also working on a global partnership with the Museum of Leaf Cards in Southern France, making this an opportunity that goes beyond just Tippecanoe. Your leadership will have a ripple effect across the country and the world!

"One small step for man, one giant leap for mankind" - much like Neil Armstrong, who took his first step at Purdue University, we're setting out on a bold journey, and we hope to have you lead the way.
