

M3.001

We're now organizing HUNTER's CARDSET using the letters M.A.T.R.I.X. Each letter has four rows—M1, M2, M3, M4—and each row contains seven sub-cards, labeled M1.001, M1.002, M1.003, and so on up to M1.007. This card arrangement is inspired by Niklas Luhmann's note-taking method, and we encourage you to create your own cards in each row. Download the 7 cards from the link below, and let's build them together!

M3.001: Vision

Title: "What Would We See?"

Imagination: Imagine walking into the best kindergarten in France, where every child's face lights up with joy. Picture classrooms filled with vibrant colors, art on every wall, and a garden where children play and learn. What would it look like if every child had the chance to learn in such an environment?

Example: "We'd see children running freely in a vast, green playground, their eyes full of wonder as they explore nature. The walls of the kindergarten would be decorated with their masterpieces, each painting a window into their unique world."

Music: Claude Debussy - "Clair de Lune"

This piece evokes the dreamy and imaginative visuals described in the card, perfect for inspiring thoughts of vibrant colors and serene landscapes.

Quote: "To see a world in a grain of sand and a heaven in a wild flower..." — William Blake
