

M3.005

We're now organizing HUNTER's CARDSET using the letters M.A.T.R.I.X. Each letter has four rows—M1, M2, M3, M4—and each row contains seven sub-cards, labeled M1.001, M1.002, M1.003, and so on up to M1.007. This card arrangement is inspired by Niklas Luhmann's note-taking method, and we encourage you to create your own cards in each row. Download the 7 cards from the link below, and let's build them together!

M3.005: Taste

- Title: "What Would We Taste Together?"
- Imagination: Now, let's imagine what we'd taste if we were to sit down for a meal here. Imagine biting into a juicy, sweet apple picked right from the tree in the garden. There's also warm, buttery bread fresh out of the oven, and maybe a little bit of honey drizzled on top. For lunch, there's a colorful salad made from veggies that the kids helped grow, so fresh you can taste the sunshine in every bite. And for dessert, how about a small piece of chocolate that melts in your mouth, just sweet enough to make you smile? Doesn't everything taste just perfect?
- Example: "We'd taste the sweetness of freshly picked apples from the garden, the warmth of a homemade meal that nourishes body and soul, and the delight of a special treat to celebrate achievements."

- Music: Frédéric Chopin - "Nocturne Op.9 No.2".
The rich, warm tones of this piece evoke the sensation of savoring delicious, nourishing foods.
- Quote: "One cannot think well, love well, sleep well, if one has not dined well." — Virginia Woolf
