

M3.006

We're now organizing HUNTER's CARDSET using the letters M.A.T.R.I.X. Each letter has four rows—M1, M2, M3, M4—and each row contains seven sub-cards, labeled M1.001, M1.002, M1.003, and so on up to M1.007. This card arrangement is inspired by Niklas Luhmann's note-taking method, and we encourage you to create your own cards in each row. Download the 7 cards from the link below, and let's build them together!

M3.006: Emotional Feel

- Title: "How Would We Feel in Our Hearts?"
- Imagination: Now, let's think about how all of this would make us feel. Can you imagine the pride in your chest, knowing that this amazing place is something we've built together? Every child here feels safe, loved, and excited to learn, and that makes our hearts swell with joy. There's a deep sense of contentment, like everything is just right. And then there's the excitement that bubbles up every morning, knowing that today is going to be another great day filled with fun and discovery. Our hearts would be so full, wouldn't they?
- Example: "We'd feel a deep sense of fulfillment as we see the children flourish, pride in the community we've built, and pure joy in the moments of laughter and learning shared."

- Music: Antonín Dvořák - "Symphony No. 9 'From the New World' - Largo". This powerful, emotional piece captures the deep sense of fulfillment and joy described in the card.
- Quote: "The best and most beautiful things in the world cannot be seen or even touched—they must be felt with the heart." — Helen Keller
