

T2.003

We're now organizing HUNTER's GARDSET using the letters M.A.T.R.I.X. Each letter has four rows—M1, M2, M3, M4—and each row contains seven sub-cards, labeled M1.001, M1.002, M1.003, and so on up to M1.007. This card arrangement is inspired by Niklas Luhmann's note-taking method, and we encourage you to create your own cards in each row. Download the 7 cards from the link below, and let's build them together!

T2.003: Categorization and Idea Clustering

Overview:

Group your cards into categories.

Activity:

Sort your ideas into different “houses” based on themes.

Hunter’s Example:

(HUNTER.X.21.070): Hunter grouped his ideas about health and routines.

Reflection:

“What families of ideas did you create today?”

Creative Resources:

§ Music: Try Vivaldi’s Four Seasons to understand how themes can connect to different moods.

§ Health: Visit KidsHealth for fun health tips.

§ Science: Explore National Geographic Kids to learn about different animals and environments.
