Love you

Dear Friend,

here's how we score from 0 to 30,
with 30 being the highest and 0 the
lowest. Talking about safety,
sometimes things that seem fun might
not be safe. Like if it rains and we
think about jumping over something to
stay dry, it's better to find a safe
way, like using a big leaf as an
umbrella. Safety is about being smart
and creative without getting hurt.
