MATRIX KIDS CARDS MUSEUM

*Love you*

*Dear Friend,*

We make sure only cars go where cars should go, so everyone stays safe. It's like a big game of matching numbers, so cars and people don't bump into each other. Being safe is super important, just like when we're in a car, we look out for the lights to turn green before going. It's all about making sure we all stay happy and not get ouchies!
