PAPER—WE'LL TAKE \$1 OFF THE CARD'S PRICE.

MATRIX KIDS CARDS MUSEUM

Love you

Dear Friend,

Kids can find what they love and learn it by themselves. Like, in summer, we play with magnets because they can pull iron! We also plant seeds, give them water, and watch little green things grow up into big plants. And in music, we learn about different sounds. Some sounds are high like bird tweets, and some are low like a bear's growl.
