MATRIX KIDS CARDS MUSEUM

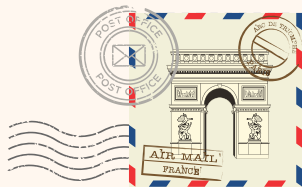

Love you

Dear Friend,

3. Beneath the ground, we have a place for cars to park.

4. And below that, there's just earth, nothing else.

Our kindergarten is super special. It has a fence all around it to keep us safe. Near the fence, we have colorful flags. You can see friends playing rugby, having fun with different sports after school, and some are putting away toys and stuff for playing badminton. The very bottom part under the ground is a big space where cars can rest. And underneath all that? It's just the ground.
