PAPER—WE'LL TAKE \$1 OFF THE CARD'S PRICE.

MATRIX KIDS CARDS MUSEUM

*Love you*

*Dear Friend,*

We do cool experiments like making a tiny volcano with clay and tomato sauce to act like lava. We watch how it flows and pretends little people are running away from it. And for earthquakes, we shake a table with houses and people on it to see what might happen. It's important to stay safe and not get too close to real dangers like volcanoes and earthquakes.
