MATRIX KIDS CARDS MUSEUM

*Love you*

*Dear Friend,*

In the card mall, treasures from across the globe are gathered. In Europe, we venture through Germany, Poland, and Norway, unveiling my card emporium's European collection. Asia's wonders include Japan and Saudi Arabia, while Africa showcases Egypt, South Africa, and Algeria. North America brings Canada, the United States, and Mexico into the mix, and South America is represented by Brazil, Argentina, and Peru. This card emporium, a project started by my mom at half past ten at night, expands to include Italy, Greece, and Iceland from Europe; South Korea, Malaysia, and Thailand from Asia; more from North America and South America with Chile and Uruguay; and Africa's Tanzania and Libya.
