PAPER—WE'LL TAKE \$1 OFF THE CARD'S PRICE.

MATRIX KIDS CARDS MUSEUM

Love you

Dear Friend,

We play a guessing game with riddles and make those riddles part of our lessons. Like, why can't we make super smart robots? It's a tricky question. To make really smart robots, people need to understand everything about something, like if someone's great at making jokes. Knowing all about jokes helps tell the best ones, just like writers or cartoonists make great stories.
