PAPER—WE'LL TAKE \$1 OFF THE CARD'S PRICE.

MATRIX KIDS CARDS MUSEUM

Love you

Dear Friend,

When we bring food to school, we have to be careful of germs. But if we grow our food, there are fewer germs. Grandpa uses a special tool to check the food for any tiny bugs that we can't see. The world is full of living things eating each other, from tiny bugs to big animals, all connected in a big circle of life.
